Paper Presentation Instructions

1. **Presentation Duration:** Each presenter will have 6 minutes for the presentation followed by 2 minutes for discussion and questions.
2. **Single Paper Rule:** Each individual is allowed to present only one paper during the conference.
3. **Mandatory Registration:** Registration for the conference is compulsory for all paper presenters.
4. **Originality Requirement:** The submitted work must be original, unpublished, and not previously presented at any other conference or conclave.
5. **Abstract Submission:** Abstracts should be between **250–300 words**, and must follow the structure: **Introduction, Aim, Objective, Method, Results, and Conclusion.**
6. **First Submission Considered:** In case of duplicate or similar abstracts, only the first submission will be accepted for review.
7. **Presentation Format:** The presentation must be made using Microsoft PowerPoint (16:9 Ratio), and presenters must carry the file in a USB drive on the day of the event.
8. **Preparation and Judgement:** Presenters should rehearse in advance to stay within time and be prepared for questions. The decision of the judges will be final.
